

June 2015

Dear Tye Club Members & Friends;

As you prepare for and anticipate the 2015 Tye season, know that we are doing the same. The clubhouse, the grounds and the wharves will all be ready and waiting and the coffee pot will be on! The annual pre-season preparations are well underway and Bob and Judy are once again waiting to welcome you!

From season to season we continue to be surprised at the fishery. Some years when we think it will be slow year, it surprises us with abundance and then just when we think we know it all, we are concerned over low returns. The Tye Club continues to do our part with salmon enhancement conducting another successful Net Pen release under the supervision of Jeremy Maynard and his team of volunteers who annually give their time. We participated in further estuary clean up with financial support from the Pacific Salmon Foundation and partnership with the City of Campbell River. Both of these projects play a role in salmon enhancement with further work scheduled in the coming year.

The yearbook was completed last season and if you have not received your copy members can pick them up at the clubhouse or arrange for mailing. Inactive and non-members are welcome to purchase a book. Instructions are on the registration form following.

Thanks to all of you who volunteer your time and resources to support the Tye Club. It is through the support of volunteers that we have enjoyed 90 years of history with little changing in the traditions and rules during that time.

Our Annual General Meeting this year is on Saturday, August 15 at Painter's Lodge with doors open at 10:30 am. All awards and trophies from the 2014 season will be presented after a short business meeting. Everyone is welcome. Painters Lodge is providing the room to us again, however, there is a wedding scheduled in the afternoon, so we will finish our meeting by 12:45 pm. Hope to see you there! Also, don't forget the Pot Luck BBQ, Wednesday after the AGM.

Our traditional fund raising squares will be offered again this year so please support the club by purchasing a square.

**Please complete and return the attached membership form for the 2015 season.** I wish everyone a successful season.

Tight lines,  
Sharon Fisher, President

I hope you enjoy the new website. It will take us some time to complete all the features & upgrades but we will have PayPal to pay your fees in addition to our membership records in a database that will allow us to retrieve information quickly. If you have photos to add to our photo gallery, stories to share or buy/sell items to post just send to [webmaster@tyeclub.org](mailto:webmaster@tyeclub.org). The next step is a club Facebook page, hopefully prior to the season.

## VOLUNTEERS

We are always looking for volunteers. This takes many forms including physical jobs, but also clerical jobs, helping with social events and more. If you know anyone who is interested in spending some time during the season or otherwise please contact [president@tyeclub.org](mailto:president@tyeclub.org) and we can discuss the possibilities. Some of these things could be done at home using your computer skills. Thanks for considering taking something on.
