2020 Electronic Payment Option - ANNUAL MEMBER REGISTRATION

The Tyee Club has added the option to register and pay electronically using a simple and secure online form. Paying electronically is part of the Tyee Club's COVID-19 response and we strongly encourage its use.

The new form is available on your phone, tablet, or computer by selecting the link on our tyeecub.org website, or the hyperlink below.

Steps:

1. Fill out member name and information
2. Choose your membership category
3. Choose to make an optional donation
4. Choose to purchase a 2020 Rod & Reel raffle ticket
5. Choose to pay Tyee Club Wharf fees
6. Enter credit card information

A receipt will be emailed to you, the club, and the weighmaster. There is no need to check in at the clubhouse. When you register a Tyee, the weighmaster will have access to records to verify that you have paid and completed the Annual Registration.

If you purchase a Raffle Ticket, please pick it up from the weighmaster at your convenience.

This method is only to be used for members making a payment. Juniors or Life Members only wanting to complete Annual Registration must use other methods.

If you encounter an issue or make an error, contact directors Robin Modesto or Mark Thulin.

REMINDER: Annual registration MUST be completed prior to angling!
